

CATHOLICISM PROJECT

Join us Tuesday nights: March 13-May 15
7:00 to 8:30pm in the
ACTIVITY CENTER ROOM A4

St. Paul the Apostle will present a ten part series on "Catholicism" Tuesday nights starting with prayer, the hour long video and table discussion.

Father Robert Barron, an acclaimed author and theologian, tells the story of Catholicism around the world, using music, art, literature, and all the riches of the Catholic faith. This is not a video lecture or scripture study, but a great journey to many global locations of our 2,000 year old Catholic culture, as well as into the spiritual and intellectual riches of our faith.
